Subject: Completion of Corrective Action

RE: Former Unocal Station #5826
7361 Edinger Avenue
Huntington Beach, CA
O.C.H.C.A. Case #91UT107

Dear Mr. Machinski:

This letter confirms the completion of site investigation and remedial action for the underground storage tanks at the above site. Thank you for your cooperation throughout this investigation. With the provision that the information provided to this Agency was accurate and representative of site conditions, no further action related to the underground tank release is required based on the available information as set forth in the California Code of Regulations, Title 23, Division 3, Chapter 16, Article 11, Section 2711 (e) (Underground Storage Tank Corrective Action Regulations).

Please be advised that the following conditions continue to exist at the above site. Site conditions allowed closure with residual gasoline contamination present as documented in the O.C.H.C.A. Case File referenced above.

If the present or proposed use of the site changes, it is the property owner's responsibility to promptly notify this Agency.

If you have any questions regarding this matter, please contact Peter Peuron at (714) 667-3719.

Very truly yours,

Robert E. Merryman, REHS, MPH, Director
Environmental Health Division
